| GOJO ANTIMIC | 800-ml bag-in-box system. Sanitary-sealed. Lotion soap formula combines mild cleansers with 0.6% Chloroxylenol (PCMX), a broad-spectrum antimicrobial agent. For gentle hand washing and germ killing. | \$7.5/Refill |

Floor Cleaners & Sealers

| | | |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| TG-17 | A water soluble all purpose, mild acid restroom tile, grout and fixture cleaner. Effectively removes rust scale, calcium deposits and other discolorations from fixtures, tile and grout. Pleasantly scented and non-fuming. pH 1.0 Use dilution: 4 oz. /gal. Safe for use on all ceramic tiles and bathroom fixtures. Should not be used on highly polished stone as product may dull finish. | \$16.10/Gal. |
| Insta Kleen | A heavy-duty all purpose cleaner for any washable surface. Exhibits exceptionally fast cleaning and degreasing action. Speed Sol is an "all-surface cleaner" and may be used on floors, painted walls, woodwork, marble, plastic, metal and other hard surfaces impervious to water. Speed Sol mixes well with hot or cold, hard or soft water and may be applied with a sponge, mop, or other appropriate equipment. pH 10.0 Use dilution ¾-13 oz/gal. | \$14.35/Gal. |
| Gem Clean | A neutral floor cleaner concentrate designed for high gloss floor finishes or polished marble. Gem Clean has a light lemon fragrance and the no-film formula leaves no residue to dull the original luster. pH 7.0 Use dilution: 2 to 6 oz/gal. | \$16.50/Gal. |
